Topical Review Book Company

Topical Review Book Company was founded in 1936 in Auburn, NY by former teacher and Principal Clarence L. Williams. The business has remained in the family for three generations. Currently, it is headed by Mr. Williams' Grandson. It has grown to be known as the **"THE LITTLE GREEN BOOK COMPANY"** due to the color of our review books. We are presently located in the Irish Hills of Michigan. We provide practice test books for most subjects, starting at the 6th Grade level through High School.

Browse through our catalog for individual titles or visit our Website: **www.TopicalRBC.com**

Feel free to contact us with any questions, comments, or concerns at: 1-800-847-0854.

We are the Publisher and Sole Vendor of all our books.

Interactive eBooks

Topical Review Book Company
is pleased to announce that all of our books will now be available in an interactive eBook platform.

Upon purchase you will be granted a 12-month license for the use of the individual eBook. Each eBook will be able to be downloaded onto 3 separate platforms, such as a smartphone, tablet, or desktop computer. The eBooks are compatible with all major operating systems (Apple, Android, and IOS).

Topical Review Book Company has its own branded reader app. The best-in-class app has features such as a refreshing interface, book download capability, off-line reading mode, use annotation tools, text highlight, search text, and so much more. Once downloaded, Topical Review Book Company's eBook app also allows you to access and read in the absence of internet connectivity.

As always, an additional Teacher Copy of the license will still be FREE for every 25-student licenses purchased. The teacher license will allow the teacher to monitor individual student's progress and the engagement performance in just a few clicks. It will also provide analytical data to teachers such as: how the content is being consumed, number of licensed eBooks distributed, the average time spent on the student's eBook, who has completed assigned problems and who has not.

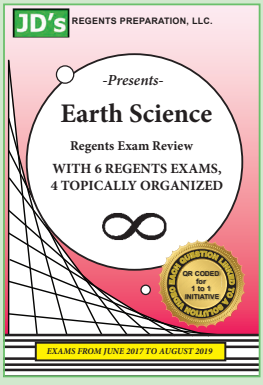
JD's EARTH SCIENCE – Common Core Regents Exam Review



Earth Science Regents Exam Review book has a total of 6 Regents Exams. The first 4 exams have been dissected and organized in a manner that parallels the topics taught in the course curriculum. Enabling students to identify, target, and overcome weaknesses, makes for a more sensible way to study for the Regents Exam. The last 2 exams, which are in the back of the book, include the most recent June and August Regents Exam in their original format. This will allow students to become familiar with the actual Regents Exam layout.

The book can also be used throughout the school year as the instructor teaches new material. The book is updated annually

This book allows students to do the following: target topics that they are having difficulties with, study on their own, and verify process and procedure via video instruction.

JD's Math Review PREP

Like all JD's Prep's products, the questions are organized by topic, and practice exams are located in the back of the book. The review manuals are great as a standalone review for the SAT and ACT exams or it can be used as a supplement in addition to the official College Board® review material. The added value is not only the topically organized questions, but the video assistance given to every question.
